# Recommended Centre's

These Centre's are in no way affiliated to UK Open College. We will not be held responsible for any information provided by them or any contract entered between you and any centre listed. As a private candidate, it is your responsibility to arrange and confirm with your centre the necessary arrangements for examination, practical assessments and coursework assessment relating to any component of examination. We are unable to offer a refund of any kind (Outside of the legal 14 day cooling off period) so, please ensure you contact a centre prior to enrolling with us. ***At times, it can be impossible so please check first.***

The official awarding bodies will also have a list of centre's located throughout the UK. There are 100's to choose from, so take some time to speak to a few different centre's and find the right one for you. Fees will vary from centre to centre as they tend to be independently run. It may be cost effective to travel out of area. **Take your time and plan ahead.**
